Article VIII: Evaluation Procedures

- A. The parties recognize the importance and value of evaluating Employees. The following procedure has been agreed to as one means of accomplishing this goal.
1. Each Employee's supervisor shall acquaint him/her with the procedures used in evaluation. No evaluation shall be made until the Employee is acquainted with the evaluation procedure. Compliance may be accomplished through a group meeting.
 2. New Employees shall be evaluated at least once each year summatively, up to and including the third year. Each summative evaluation shall consist of a minimum of two (2) formative appraisals, once in each semester. After the first three years of employment, the District may choose to evaluate employees only once every three years or more often if an employee requests an evaluation or it is deemed necessary by the administration to improve performance. Any written evaluation material in an Employee's personnel file shall be signed by both the Employee and the Employer. These signatures indicate only awareness of the evaluation material, not necessarily agreement. If the Employee disagrees with any written evaluation material in the Employee's personnel file, the Employee may attach a written position to the evaluation material in dispute.
 3. All employees' evaluations are to be fair and accurate. A probationary employee (Iowa Code 279.19) may not grieve their evaluations during their probationary period. An employee has the right to grieve all evaluations including the right to challenge said evaluations as unfair or inaccurate through the grievance procedure in this contract unless termination proceeding has begun.
 4. Any part of an employee's evaluation that does not meet the evaluator's criteria will be so stated in writing.
 5. A sample of the evaluation tool currently being used will be included with materials distributed to Employees prior to the first day of classes. Evaluations will be conducted in accordance with the provisions in the Iowa Code and the Northeast Hamilton Board Policy named *Licensed Employee Evaluation* and located in the 400 series.
 6. Teachers with an initial provisional license shall be formally evaluated with the Comprehensive Evaluation Summative Evaluation developed by the Iowa Department of Education. The procedures used shall be those above in A.1 – A.5.

Article IX: Procedures for Staff Reduction

When the Board of Education determines that it is necessary to have a reduction in staff, the following procedure shall be followed:

- A. Staff reductions will be made within the following categories:
1. Grades K-5 regular classroom
 2. Grades 6-8 by curricular area:
 - a. Language Arts
 - b. Mathematics
 - c. Science

- d. Social Studies
- e. Health

3. Grades 9-12 by curricular area:

- a. Language Arts
- b. Mathematics
- c. Science
- d. Social Studies
- e. Family and Consumer Science
- f. Industrial Arts
- g. Vocational Agriculture
- h. Business Education
- i. Drivers Education

4. Grades K-12 for:

- e. Instrumental
- f. At-risk
- g. Guidance
- h. Physical Education
- i. Nurse
- j. Foreign Language

It is the intention of the parties that the above categories shall be considered as separate units.

B. Given the necessity to maintain the most competent and qualified staff available, the Employer in determining which Employees are to be reduced will consider:

1. The need to maintain programs, both academic as well as extra-curricular, of the District.
2. Ability, as determined by past and present evaluations reflected by documents in the personnel files.
3. Qualifications, including education, certification, endorsements, approvals and particular expertise.
4. If the above considerations are relatively equal among affected Employees, the least senior Employee will be reduced, as recommended by the Superintendent and approved by the Board of Directors.
 - a. Seniority means the Employee's total months of service in the Northeast Hamilton Community School District, as well as the independent districts which reorganized to form the Northeast Hamilton Community School District plus the years (nine months per year allowed) of experience allowed when the Employee originally contracted with the district. Part months shall be counted as one.
 - b. A part-time Employee shall accrue seniority on a pro-rata basis.

C. Any Employee laid off pursuant to this article shall have recall rights, for two (2) years, to any position which becomes available for which the Employee has, or may attain, proper certification and/or endorsements by the State of Iowa.

1. The Employee shall be recalled in inverse order of the layoff with all benefits to which the Employee was entitled at the time of the layoff, including the proper step on the salary schedule according to the Employee's experience and education.
2. The laid off Employee has the duty to keep the Superintendent informed of his/her current address. An Employee's failure to respond affirmatively within five (5) calendar days after the receipt of the Employer's letter sent by certified mail to the Employee's address on file in the office of the superintendent shall result in the termination of the Employee's right to recall hereafter.

Article X: Grievance Procedures

A. Definitions

1. Grievance

A grievance shall mean a complaint that there has been a violation, misinterpretation or misapplication of any of the specific provisions of this comprehensive Agreement.

2. Aggrieved Employee

An aggrieved Employee is an Employee or group of Employees, making the complaint.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time Limits

Failure of an Employee to act on any alleged grievance within ten (10) school days from the time of the occurrence of the alleged violation shall act as a bar to any written appeal at any step under these procedures. Failure of an Employee to act within the prescribed time limits at any step will act as a bar to any further appeal.

2. Year-End Grievance

In the event a grievance is pending at the end of the school year, the time limits set forth herein shall be converted from "school" days to "calendar" days.

3. Level One -- Principal or immediate Supervisor (Informal)

An Employee with a grievance shall first discuss it with the principal or immediate supervisor, with the objective of resolving the matter informally.

4. Level Two -- Principal or Immediate Supervisor (Formal)

If the grievance cannot be resolved informally, the aggrieved Employee shall file the grievance in writing, and, at a mutually agreeable time, discuss the matter with the Principal or immediate supervisor. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the contract alleged to be violated, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within twenty (20) school days from the date of occurrence of the event giving rise to the grievance. The Principal or immediate supervisor shall make a decision on the grievance and communicate it to the employee within ten (10) school days after receipt of the grievance.

5. Level Three -- Superintendent

In the event a grievance has not been satisfactorily resolved at the second level, the aggrieved Employee shall file, within five (5) school days of the Principal's written decision, a copy of the grievance with the Superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved Employee and Superintendent shall meet to try to resolve the grievance. The Superintendent shall file an answer within ten (10) school days of the level three grievance meeting, and communicate it in writing to the Employee.

6. Level Four -- Arbitration

If the grievance is not resolved satisfactorily at Level Three, there shall be available a fourth level of impartial binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the aggrieved Employee to the Superintendent within fifteen (15) calendar days from receipt of the Level Three answer to enter into such arbitration. The arbitration proceeding shall be conducted by an Arbitrator to be selected by the two parties within seven (7) calendar days after said notice is given. If the two parties fail to reach agreement on an Arbitrator within seven (7) calendar days, the Public Employment Relations Board will be requested to provide a panel of five (5) Arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one shall remain. The party to strike the first name shall be determined by a coin flip. The remaining name shall be the Arbitrator. Expenses for the Arbitration service shall be borne equally by the Employer and the Association. The Arbitrator, in his decision, shall not amend, modify, nullify, ignore, or add to the provision of the Agreement. The Arbitrator shall have twenty (20) calendar days to render a decision. His decision must be based solely and only upon his interpretation of the meaning or application of the express relevant language of the Agreement. The decision of the Arbitrator will be binding on the parties.

D. Right of Employees to Representation

Every Employee covered by this agreement shall have the right to present grievance in accordance with these procedures. Any aggrieved Employee may be represented at all formal and informal stages of the grievance procedure by herself/himself or by the Employee and a representative of the Northeast Hamilton Education Association. If any Employee files any claim or complaint other than under the grievance procedure of this Agreement, then the School District shall not be required to process the same claimed set of facts through grievance procedure. All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the parties in interest, and their designated or selected representatives, heretofore referred to in this article.

Article XI: Sick Leave

A leave of absence for an Employee's personal illness or injury shall be allowed for consecutive years of employment as follows:

- 10 days the first year
- 11 days the second year
- 12 days the third year
- 13 days the fourth year
- 14 days the fifth year
- 15 days the sixth and subsequent years

If an Employee does not need to use the allotted days during the contract year, the unused days will be added to the allowance for the succeeding year.

All sick leave days are pro-rated for part-time Employees. The amount of accumulated sick leave shall not exceed one-hundred-fifteen (115) days.

In case of absences for illness or injury in any one year exceeding the aggregate of days allotted for that year, the excess shall be deducted from the Employee's accumulated days. If an Employee is unable to begin service under the contract on the date on which the contract is designated to begin, the Employee shall nevertheless be entitled to draw compensation for any unused sick leave accumulated from prior years of service with the district, pursuant to its regulations thereto, payable at the time regular installments are due under this contract, notwithstanding the fact that actual service did not commence under this contract for the school year covered herein.

If an Employee is unable to report for duty on the first day of the new contract, and has no accumulated sick leave on which to draw, compensation for sick leave will not be allowed under the new contract until the Employee does report, whereupon it will become retroactive.

All accumulated sick leave is forfeited upon the termination of employment. Employees laid off pursuant to Article IX of this agreement shall receive all accumulated sick leave, up to one hundred fifteen days (115), upon recall.

An employee who uses none of his/her sick leave by the last contract day of the school year or has semester usage as stated in the chart below and has used no more than 5 days of sick leave in any one semester will be paid as follows:

Semester 1 grading period	Semester 2 grading period
0 days = \$125	0 days = \$125
1 day = \$100	1 day = \$100

Partial sick leave days will be accumulated to one (1) complete day. Partial shall be considered $\frac{1}{4}$, $\frac{1}{2}$ or $\frac{3}{4}$ days.

Sick leave shall not be granted for Employee elective surgery unless the Employee presents a signed doctor's statement, prior to the surgery, that it is necessary for the mental health of the Employee. Elective surgery shall be determined as any surgery not required for the health of the person to continue their work.

Article XII: Leaves of Absence

A. Prior Notice

This form must be completed at least five (5) school days prior to the date of absence except in the case of bereavement, illness, or emergency. In those instances, the form must be completed within one week upon return to work.

B. Bereavement Leave

1. In the case of the death of the wife, husband, or child of an Employee, or of the Employee's (or spouse's) father, mother, brother or sister, the Employee shall be granted permission to be absent from duty by the office of the Superintendent for as many days, not to exceed five (5), as may be necessary for attendance at the funeral and for any other purposes directly arising out of said death, and no deduction of pay shall be made for the days of absence so granted. The office of the Superintendent shall have the authority to extend the above provision in any specific instance.

In the event that it is only a half (1/2) day that is not taken and would otherwise be lost at the end of the school year the reimbursement for that half day shall be equal to the amount currently paid a substitute for a half (1/2) day.

If any employee wishes to be absent from duty to attend professional meeting, or visit schools, a written request for approval of such absence on a form provided by the Employer should be signed by the Principal or Superintendent and filed in the office of the superintendent at least ten (10) days prior to the first day of anticipated absence.

G. Up to a total of four (4) days shall be available for representatives of the Association to attend I.S.E.A. Delegate Assembly and conferences or workshops of the local or state education organization. Time lines and forms used for Education purposes leave shall be used.

H. For extended leaves of absence of one half school year or more, the following criteria shall be used:

Supplemental Pay
(for 2007 – 2008)**

In addition to base salaries for standard contracts, the following extra pay for added assignments shall be for duties over and above a regular teaching load. These additional percentages of the BA base pay shall be paid to those Employees who have Employer Approval. In implementing these extra-duty salary percentages, no employee will be required to take a pay cut in salary for the same extra-duty assignment they held during the 2002-03 school year. These additional percentages are based on Northeast Hamilton Community School District's base pay and not any requirement legislated as minimum base pay.

Phase II Plan

The plan as accepted by the NEHEA is primarily based on where the teacher falls on the salary schedule as shown below. The state plan calls for a certain amount of money per certified head count in the district, thus reaching the total amount receivable. Of this amount, fixed charges as legally imposed are to come directly from the total before distribution. Only those certified employees, on a FTE basis, that have a base salary equal to or over the State of Iowa's set minimums are to receive any money in this Phase II plan. The Phase II schedule indicates where each employee lies on the schedule and the corresponding number of shares each would receive. Total shares of all eligible employees are figured by dividing total shares into the total amount (less fixed charges.) This simple division equals the worth of one share. Employees would multiply the individual share by the number of shares they are entitled to. The number of shares, the number of employees and the amount received would naturally vary from year to year. Payment to eligible employees shall be within five working days after the district received the money, whether it be received quarterly, yearly or whatever. This formula and the Phase II plan are in effect only if Phase II is funded by the state and the money is received by the district.
